

## 🏢 8 Years Commercial Experience

### 🛒 ekmPowershop

June 2008 - Present

#### Lead User Interface Designer Nov 2013 - Present

As the lead user interface designer for ekmPowershop I'm responsible for ensuring all product design remains consistent, usable and intuitive.

#### Web Designer Jun 2008 - Nov 2013

I spent my early days at ekmPowershop as a customer facing web designer working on commissioned design work for shop owners. This allowed me to gain valuable skills in eCommerce design, usability and conversion rate optimisation.

### ✈️ Kahn Design

June 2007 - June 2008 (1 year)

#### Web Designer

During my part time education I worked for Kahn Design a bespoke car manufacturer. Here I was responsible for the design, development and maintenance of the in-house websites.
